

THE DAVID WYMAN DEVELOPMENTAL EDUCATION REPEAT POLICY

To move forward to ENG 101, students who take ENG 098 must pass with a C or better. Students who complete the course with a lower grade may be eligible to repeat the course for free. Students should check with their instructor or the dean of Liberal Arts, Education, Humanities, and Communications about their eligibility for this free course repeat.

This policy is named in the memory of Professor David Wyman, whose tireless advocacy for students is a lasting legacy for MWCC.
