

CAMPUS TOURS & INFORMATION SESSIONS

Prospective students are encouraged to visit MWCC in person or virtually. To learn more about visiting our campuses, please review the information found at <http://mwcc.edu/enroll/admissions/visit/> or contact the Admissions Office at 978-630-9447 or admissions@mwcc.mass.edu.

If you are interested in a large group tour, you may contact the Admissions Office at 978-630-9447. So that we can best serve the needs of your group, it is helpful to request your tour at least two weeks before your desired date.
