- Non-matriculated or guest students must meet prerequisite requirements for all courses. Prerequisites can be met through placement testing or review and approval of equivalent college coursework.
- Students who wish to matriculate after being admitted as non-matriculated or guest students should contact the Admissions Office. Students will need to declare a major and/or complete an updated admissions application, comply with all requirements of matriculation, and certify that they have completed their high school diploma/high school equivalency assessment. The change will then be effective for the following semester.
- Students who have been awarded an educational certificate from outside the U.S. must provide official evaluations to U.S. standards of all high school/college/university coursework, indicating grades earned with the official explanation of grading system, completed through an acceptable credential evaluating agency, such as Spantran - MWCC Pathway (<https://spanside.secure.force.com/SpantranApplication/?Id=ab7a5000-cbc4-4aaa-a4a4-d89c7b241f78>) (offers discounted services), Center for Educational Documentation (CED) (<http://www.cedevaluations.com/>) or World Education Services (WES) (<http://www.wes.org/>) Additional agencies may be found www.naces.org. (<https://www.naces.org/>)
