

READMISSION

Students who have previously attended the college and would like to be considered for readmission after an absence of one year or more should contact the Admissions Office via phone at 978-630-9447 or via email to inquire about their steps to reapply for admission. Upon readmission, students may be required to meet with an academic advisor before registration. Readmission results in the assignment of a new catalog year. MWCC graduate readmits may not be readmitted to the same academic program from which they have previously graduated.
