CORI/SORI Policy for DHY
(See the DHY application packet for more information)

Dental Hygiene students will be required to complete a CORI (Criminal Offender Record Information) check consistent with current Commonwealth of Massachusetts law M.G.L. c. §§ 178C-178P. Record storage and usage will be in compliance with (M.G.L.c. 275 § 4). It must be understood that a conviction in a court of law may prevent a person’s eligibility from being placed in a clinical agency. This then will not allow successful completion of the Dental Hygiene program. In addition, it will delay and may prohibit eligibility to take the Dental Hygiene Board Licensing Exam.
