

HISTORY AND POLITICAL SCIENCE TRACK

The History and Political Science Track at Mount Wachusett Community College provides students with the opportunity to earn an Associate of Arts Degree in Liberal Arts and Sciences. Upon completion of the program, students are prepared to transfer to a four-year institution to complete a baccalaureate degree. The History and Political Science Track offers a student the opportunity to explore U. S. and world history while completing a core curriculum used for transfer. Students will gain knowledge in a variety of disciplines including math, science, the humanities and the social sciences.

HISTORY AND POLITICAL SCIENCE TRACK (LAHP) ¹

A Degree in Liberal Arts and Sciences

This program is for those who want a strong background in history and political science and plan to transfer to a four-year college or university to pursue a degree in history, political science, or government. With a bachelor's degree in history or political science, the student may pursue a career in government and politics, teach history or political science, pursue a master's degree in public policy or management, or earn a degree to practice law.

¹*This program satisfies MassTransfer Pathways for History but does not satisfy all MassTransfer Pathways for Political Science.*

Student Success Tips

Eligible LAS students should consider entering MWCC's Honors Program. Honors Program students benefit from a challenging, highly individualized academic experience; a tuition waiver during their final semester; active recruitment by four-year colleges and universities; and the use of the Honors Center. Also, because of the program's Commonwealth Honors Program status, all MWCC Honors courses are transferable as Honors courses within the Massachusetts public higher education system; and MWCC graduates are guaranteed acceptance into the Honors Programs of these colleges and universities. See the Honors Program (<http://catalog.mwcc.edu/academicresources/#honorsprogramtext>) for more information.

Students are expected to have proficient computer skills and the ability to access the internet via desktop/laptop computer or tablet. Internet access may be from home or through a public site such as a local public library, public college or at any Mount Wachusett Community College campus.

Transfer Options

For transfer options, please click here (<http://catalog.mwcc.edu/academicresources/#transferinformationtext>). It is recommended that you also consult with your academic advisor.

MASSTRANSFER

Students who plan to transfer to a Massachusetts state university or a University of Massachusetts campus may be eligible to transfer under the MassTransfer agreement, which provides transfer advantages to those who qualify.

Please click here for MassTransfer information (<http://www.mass.edu/masstransfer/>).

Special Requirements

Technical standards must be met with or without accommodations.

PROGRAM STUDENT LEARNING OUTCOMES FOR LAHP

Upon graduation from this program, students shall have the ability to:

- Formulate clear and precise questions about complex problems and ideas relevant to a variety of disciplines—math, science, the humanities, and the social sciences—and gather, assess, and interpret information to arrive at well-reasoned conclusions and solutions.
- Demonstrate an understanding of complex written texts that demand an appreciation of subtext, irony, metaphor, and the subtlety and nuances of language.
- Successfully complete a substantial research paper that demonstrates the ability to formulate a research question, conduct research using the library's databases, and synthesize information from a variety of sources into a cohesive and in-depth analysis of a topic.
- Demonstrate knowledge of historic, social, and cultural backgrounds necessary for understanding their own and other societies with an emphasis on important ideas and events that have shaped, and continue to shape, their world.
- Demonstrate scientific literacy, which can be defined as the matrix of knowledge needed to understand enough about the universe to deal with issues that come across the horizon of the average citizen, in the news or elsewhere.
- Demonstrate a broad exposure to, and an understanding of, the differences and similarities in the various academic disciplines within their Liberal Arts education.

- Successfully transfer to a baccalaureate degree granting institution if desired, with the proper educational foundation for transition into a chosen field of study.

CAPSTONE COURSE FOR LAHP

ENG 290 Advanced Writing and Research is the required capstone course for some Liberal Arts & Sciences majors and is to be taken after successfully completing ENG 101 College Writing I, ENG 102 College Writing II and at least 45 college-level credits.

TECHNICAL STANDARDS¹ FOR LAHP

¹ For general information about technical standards and accommodation, see Technical Standards. (<http://catalog.mwcc.edu/academicresources/academicandgradingpolicies/technicalstandards/>)

Students entering these programs must be able to demonstrate the ability to:

- Comprehend textbook material at the 11th grade level.
- Communicate and assimilate information either in spoken, printed, signed, or computer voice format.
- Gather, analyze, and draw conclusions from data.
- Work as a member of a team.
