The College accepts payment of tuition and fees by cash, check, money order, Discover, Visa, and MasterCard. Students may enroll in a monthly payment plan administered by FACTS/NELNET. A modest enrollment fee is charged but no interest is charged. This option is only available for the fall and spring full semesters. Details on the plan can be found at this link (<http://mycollegetpaymentplan.com/mwcc>).

Third Party Payment

Occasionally a student's employer or outside agency will satisfy all or part of their obligation to the college. Under these circumstances, authorization from the company or agency is required in order to stop cancelation of classes for non-payment. Please contact MWCC Student Accounts at 978-630-9149 with any questions or to submit proper documentation. Students may be required to pay for the course in order to continue if all requirements are not met.

SENIOR CITIZEN AND MASSACHUSETTS TUITION/FEE WAIVERS

A. Students 60 years and older and who are Massachusetts residents for at least one year are eligible for waiver of credit based tuition and fees on a space available basis. Eligible senior citizens may not register for classes until one week prior to the start of classes, if space is available, to take advantage of the senior citizen tuition and fee waiver. Individuals registering prior to that time will be expected to pay all applicable tuition and fees. Please call MWCC Student Accounts for further information at 978-630-9149.

B. The Massachusetts legislature has approved a number of tuition waiver programs, Categorical Tuition Waivers, for individuals meeting certain criteria. These waivers include the Veterans Tuition Waiver, the Massachusetts National Guard Tuition and Fee Assistance Program, the Massachusetts Rehabilitation Client Waiver, the Native American Waiver, and others. Eligible individuals must present proof of eligibility to receive a tuition waiver of state-supported tuition (classes with a billing attribute of B100). Fees and non-state supported tuition will only be waived when the enabling legislation calls for such action.

C. Eligibility requirements include the following criteria: Be accepted to a degree or certificate program; be enrolled in at least three credits per semester; be making satisfactory academic progress; be a permanent legal resident of Massachusetts for at least one year; be a US citizen or eligible non-citizen; not be in default of a student loan; be in compliance with Selective Service laws. Auditing classes and enrolling in classes that are not required by the student's degree program will not be covered by these waivers.

UNPAID DEBT POLICY

It is MWCC's policy that students or former students having any unpaid obligations for tuition or any fees due the college and who have not made acceptable arrangements for settlement of such obligations, will be subject to the withholding of any grades, grade reports, transcripts, diplomas and certificates, and will not be eligible to enroll in any course or program of the college until satisfactory settlement of unpaid debts. Students will incur all costs of collection if the college must place their accounts with a collection agency and with the Commonwealth of Massachusetts for intercept of other state payments (tax refunds, etc.). All receipts for payment must be issued in the student's name, regardless of who is paying the bill. Former students who have a current student loan default will be subject to the same prohibitions.
