Workforce Development

The Division of Lifelong Learning and Workforce Development offers credit and noncredit courses during the academic year and summer sessions at the Gardner Campus and all satellite locations. The primary goal of the division is to provide for the educational and training needs of North Central Massachusetts residents by offering a wide variety of courses and programs designed to prepare individuals for a certificate, an associate’s degree, job entry, or transfer to a four-year college or university. All academic policies apply to the Division of Lifelong Learning & Workforce Development as well as the “day” college. Customized training can be tailored to suit the needs of groups, organizations, and businesses/industries and can be offered at MWCC’s campus or at your business location. For information about customized services, call the director of workforce development at 978-630-9575.
